2. Information use

2.1 In order to provide you with better, more convenient and safer services, we may use the collected information for the following purposes under the premise of compliance with relevant laws and regulations:

- (1) To provide you with services. Meet your individual needs. For example, language settings,

personalized help services and instructions, etc.

(2) Service optimization and development. For example, we may optimize our services based on information generated when the services respond to your needs.

3. Information disclosure

3.1 We will not share your personal information with any other company, organization or individual without your consent, except in the following cases:

(1) Obtaining your express consent or authorization: After obtaining your express authorization, we will share your personal information with other parties.

(2) Sharing under statutory circumstances: In accordance with laws and regulations, the need for litigation and dispute resolution, or the mandatory requirements of government authorities or judicial rulings, your personal information must be shared externally.

(3) To the extent required or permitted by law, it is necessary to provide your personal information to a third party in order to protect the interests, property or safety of the software and its users or the public from damage

3.2 We will not transfer your personal information to any company, organization or individual without your consent, except in the following cases:

(1) Obtaining your express consent or authorization: After obtaining your express authorization, we will transfer your personal information to other parties.

(2) In the event of a merger, acquisition or bankruptcy liquidation, the transfer of personal information may be involved. In this case, we will require new companies and organizations that hold your personal information to continue to be bound by this policy. If there is any change in the collection and processing of personal information stipulated in this policy, the company or organization will seek your authorization and consent again.

3.3 We will not publicly disclose your personal information without your consent, except in the following cases:

(1) With your express consent or authorization.

(2) We may disclose your personal information to competent authorities based on laws, legal procedures, lawsuits or mandatory requirements of government authorities. However, we guarantee that when the above situation occurs, we will require the disclosure requesting party to issue corresponding valid legal documents, and take security protection measures in line with laws and industry standards for the disclosed information.

4. Information storage

4.1 The information collected about you is stored on our servers in mainland China.

4.2 Usually, we only retain your information during the period of providing services to you, and the retention time will not exceed the time necessary to meet the relevant purpose of use. However, in the following circumstances, and only for the purposes related to the following circumstances, we may need to retain your information or part of it for a longer period of time:

(1) Comply with applicable laws and regulations and other relevant regulations.

(2) To comply with the requirements of court judgments, rulings or other legal process.

(3) Comply with the requirements of relevant government agencies or other competent authorities.

(4) We have reason to believe that we need to comply with relevant regulations such as laws and regulations.

(5) Reasonably necessary to implement the relevant service agreement or this Privacy Statement,

safeguard the public interest, handle complaints/disputes, and protect the personal and property safety or legitimate rights and interests of our customers, us or our affiliates, other users or employees the use of.

5. Information Security

5.1 We strive to keep information secure against loss, misuse, unauthorized access or disclosure.

We use various security technologies to keep information secure. For example, we will use security measures such as multiple server backups and password encryption to prevent information leakage, damage, and loss.

We have established strict management systems and procedures to ensure the security of information. For example, we strictly limit the scope of people who have access to information and conduct audits that require them to comply with confidentiality obligations.

We attach great importance to information security compliance work, and fully protect your information security through numerous international and domestic security certifications.

However, please understand that due to technical limitations and various malicious means that may exist, in the Internet environment, even if we do our best to strengthen security measures, it is impossible to always ensure 100% information security. You need to understand that the systems and communication networks you use to access our services may have problems due to factors beyond our control.

5.2 In order to more effectively protect your information security, we also hope that you can strengthen your awareness of self-protection. We are only liable to the extent that the service directly leads to the disclosure of your personal information. Therefore, please keep your account and password information properly to avoid the disclosure of your personal information. Unless you judge that it is necessary, you will not provide your account password and other personal information to any third party.

6. Your rights

7.1 You can access your relevant information in the process of using our services. How you access will depend on the specific service you use. You can change the license agreement for the software in the system settings. When you withdraw your consent, we will no longer process the corresponding personal information. However, your decision to withdraw your consent will not affect the previous processing of personal information based on your authorization.

You can view the entire content of this Privacy Policy by entering "About Us" - "Privacy Policy" within the app.

7. Change

We may revise the terms of this Privacy Statement from time to time, and such revisions form part of this Privacy Policy. We will notify you in a prominent position before the revision takes effect if there are important rule changes that may result in the substantial reduction of your rights under this Privacy Policy or the expansion of the scope of collection and use of information. In such event, by continuing to use our services, you agree to be bound by this revised Privacy Statement.

8. Contact us

If you have questions about this policy or other related matters, please contact us by:

Mail: Sedate_Tang@outlook.com

We will review the issue as soon as possible and respond within fifteen days of verifying your user identity.
