

Update Date: March 22, 2022

Effective Date: March 22, 2022

Welcome to use this software service!

Before using all the functions of this product, please read and thoroughly understand this User Agreement (hereinafter referred to as the "Agreement"). You can choose not to use this product, but if you use this product, your use behavior will be regarded as an acknowledgement of this agreement, and you agree to be bound by the terms of this agreement.

1. Scope of the agreement

1.1 This agreement is an agreement between you and this product. "User" refers to the user of the relevant services of this product, which is more referred to as "you" in this agreement.

1.2 The licensed content under this agreement refers to the data monitoring and consultation (hereinafter referred to as "service") provided by this product to users, including but not limited to mobile devices.

1.3 This agreement will be updated from time to time. Once the updated terms of the agreement are announced, they will replace the original terms of the agreement. Please check them in time. After updating the terms of the agreement, if you continue to use it, you are deemed to have agreed to the entire content of this agreement.

2. Protection of personal privacy information

2.1 The protection of your personal information is a basic principle of this product. This product will collect, use, store and manage your personal information in accordance with this agreement and the "Privacy Policy".

2.2 This product will take technical measures and other necessary measures to ensure the safety of users' personal privacy information. This product will not disclose or disclose users' personal privacy information to any third party without your consent. With the exception of the following specific circumstances:

2.2.1 This product is provided in accordance with the requirements of judicial authorities or administrative authorities based on legal procedures;

2.2.2 Any leakage of personal information caused by users informing others of their personal privacy information or sharing personal privacy information with others, or other leakage of personal privacy information not caused by this product;

2.2.3 Any disclosure of users' personal privacy information due to hacker attacks, computer virus intrusions and other force majeure events.

3. Rules of use

3.1 Users must take full responsibility for the authenticity, legality and validity of the login information in the services provided by us. Users shall not impersonate others; shall not publish any information in the name of others; shall not maliciously use accounts to cause misunderstanding by other users.

3.2 Users promise not to use the services we provide in any way to directly or indirectly engage in behaviors that violate Chinese laws and social morality, and the services we provide have the right to delete content that violates the above commitments.

3.3 Users shall not use the services provided by us to create, upload, copy, publish, disseminate

or reproduce the following content:

Opposes the basic principles established by the Constitution;

(1) Endangering national security, divulging state secrets, subverting state power, and undermining national unity;

(2) Damage to national honor and interests;

(3) Inciting ethnic hatred, ethnic discrimination, or undermining ethnic unity;

(4) Insulting and abusing the image of heroic martyrs, denying heroic deeds, beautifying and whitewashing acts of aggression and war;

(5) Undermining the state's religious policy and promoting cults and feudal superstitions;

(6) Spreading rumors, disrupting social order, and undermining social stability;

(7) Spreading obscenity, pornography, gambling, violence, murder, terror or instigating crimes;

(8) Insulting or slandering others and infringing upon the legitimate rights and interests of others;

(9) Contains false, fraudulent, harmful, coercive, infringing on the privacy of others, harassing, infringing, defamatory, vulgar, obscene, or other morally objectionable content;

(10) Contains other content restricted or prohibited by Chinese laws, regulations, (departmental) rules and any norm with legal effect;

(11) Contains content that the service we provide considers inappropriate to be displayed on the service we provide.

4. Intellectual Property Statement

The intellectual property rights of all versions, technologies, programs, materials and all information content (including but not limited to product functions, user interfaces, operating procedures, trademarks, patents, computer software works) that come with this product are owned by this product. In no event shall this product's license to your software be deemed a transfer to you of any or all of the intellectual property rights of this product. Any materials you download and use through this product and other information content of this product are only for your personal entertainment, study, research or appreciation use, and cannot be used for any commercial purpose without the written consent of this product.

5. Force majeure and other exemptions

The use of this product will be affected by, but not limited to, the following force majeure or other factors: political reasons, social environment, natural disasters, economic crisis, computer virus or hacker attack, server or system instability, your special location, any technology Ability, network quality, communication line, computer failure, etc. (hereinafter collectively referred to as "disclaimer"). In the event of the above-mentioned reasons for disclaimer, this product will try its best to repair or remedy it as soon as possible. If any loss is caused to you, this product is exempted from liability to the extent permitted by applicable laws and policies.

6. Applicable laws and policies

Matters related to this Agreement shall be governed by the laws and policies of the People's Republic of China ("Applicable Laws and Policies"). These applicable laws and policies may be in the process of dynamic change. Therefore, if the rights and interests of you and this product under this agreement are increased or decreased due to changes in applicable laws and policies, it does not constitute all or any part of this agreement. The terms are automatically invalid or the basis for terminating enforceability, unless such applicable laws and policies that have changed are effective mandatory provisions.

7. Law

If there is a legal dispute between you and this product related to this agreement and/or its implementation, you should try to resolve it through friendly negotiation; if the negotiation fails, either party may file a lawsuit with the people's court where the product operator is located.
